Theme: The Invention the World Needs Most

Name: _____ Date: _____

Persuasive essay (500-750 words): If you could invent one thing to make the world better, what would it be? Argue that your invention is the one the world needs most. Support your position with facts and real-world costs and benefits, answer one counterargument, and end with a concluding ask.

Checklist: [ ] 500-750 words [ ] Facts, costs and benefits [ ] Counterargument answered [ ] Concluding ask
