Writing Assignment - George (Grade 4)

Thursday, November 19, 2026

Theme: The Invention the World Needs Most

Name: _____ Date: _____

If you could invent anything in the whole world, what would you invent? Write three paragraphs (about 150-200 words). Paragraph 1: Name your invention and explain what problem it solves. Paragraph 2: Describe a time someone would use it and how it would help them. Paragraph 3: Write a short scene with at least one line of dialogue where someone uses your invention, and tell one problem it could cause and how you would fix it.

Paragraph 1 - My invention and the problem it solves:

Paragraph 2 - Someone using it to help:

Paragraph 3 - A scene with dialogue, plus one problem and my fix:

[ ] Three paragraphs [ ] Dialogue in quotation marks [ ] About 150-200 words
